Acknowledgement

I acknowledge that –

- Engen Medical Benefit Fund’s administrator has developed an application (“Electronic Health Record”) medical practitioners can use to access my information recorded in my Electronic Health Record (EHR).
- The purpose of Electronic Health Record is to support and enable quality clinical care to members and to help reduce the administrative burden on medical practitioners accessing my information.
- Only medical practitioners who have subscribed to and are authorised to use my Electronic Health Record and its features (“authorised medical practitioners”) can access my information.
- All authorised medical practitioners who treat me from time to time may only request and access my information through the EHR if they have my consent.
- Once I have granted consent, any authorised medical practitioners who I may consult from time to time and who have my consent may access all my information recorded in my EHR including details of consultations with other medical practitioners I may have consulted before.
- I may at any time change or revoke my consent by formally letting Engen Medical Benefit Fund know of my decision. In this case, Electronic Health Record will grant authorised medical practitioners access to my information only up to the date I change or revoke my consent and will not make my information available to any authorised medical practitioners from then on. By granting my consent, I provide Engen Medical Benefit Fund permission to share my information (through my EHR) with my authorised medical practitioners to assist in making informed clinical decisions.

I understand that once Engen Medical Benefit Fund has shared my information with authorised medical practitioners, Engen Medical Benefit Fund has no further control over this information and will not be accountable for its safeguarding. I also understand that the authorised medical practitioners have confirmed to the Fund’s administrator that they will treat my information as confidential and in line with applicable laws.
