Request for extended supply of medicine

Who we are

Engen Medical Benefit Fund (referred to as 'EMBF'), registration number 1572, is a not-for-profit organisation, registered with the Council for Medical Schemes.

Discovery Health (Pty) Ltd, registration number 1997/013480/07, (referred to as 'the administrator') is a separate company, an authorised financial services provider and is responsible for the administration of your membership on behalf of the Fund.

Purpose of the form

This is an application to ask for an extended supply of chronic or acute medicine.

We will review this request only when you need the extra supply of chronic or acute medicine because you will be outside the borders of South Africa for longer than one month, or up to and no longer than six months. Please note: the maximum period for an extended supply of medicines we will consider is six months. We will decline requests for periods longer than six months.

If you cancel your Fund membership or if your membership is suspended during the period for which we have authorised your extended supply of medicine, you may have to pay the costs yourself or we may need to recover the money from you if we have already paid for the medicine.

How to complete this form

1. Please use one letter per block, complete in black ink and print clearly.
2. You need to apply at least 7 working days before you travel.
3. Complete one application form for each patient.
4. If the applicant is under 18, a parent or legal guardian must complete Section 1 and sign the application form.
5. The primary applicant must complete Section 2.
6. To avoid administrative delays, please ensure this form is completed in full.
7. Please fax the completed and signed form to **011 539 7004** or email it to chronicqueries@engenmed.co.za

Please note

This is an approval for funding only and does not override any legal requirements that your pharmacist must comply with. You will need to have a valid prescription for the requested medicine and there are some medicines where the maximum quantity that can be dispensed is a 30 day supply.

Please also check the Customs requirements and laws of the country you are visiting before you travel to avoid any issues with travelling with your medicine.
