Contributions

As the main member of the Fund, you are responsible for ensuring that your contributions and the contributions for your dependants are paid on time every month, to avoid suspension of benefits. The Fund has the right to amend monthly contributions and benefits from time to time.

You must ensure contributions are paid on time.

About becoming a member

The Fund might not pay for certain expenses immediately after you become a member.

Certain waiting periods may apply in certain circumstances. This means there may be a set time period during which the Fund will not pay for claims related to any general or condition-specific waiting periods. The Fund and Administrator will let you know if this applies to you or any of those on your membership.

Dual membership of medical schemes

It is illegal to be a member of more than one medical scheme at the same time. You and those on your membership must terminate any other cover held before we activate your membership of the Fund.

Repaying money owed to the Fund

We have the right at any time to collect from you any amount that you owe to the Fund. We will notify you if there is any amount that you owe to the Fund.

Any money you owe to the Fund may be deducted from any future claim payment amounts that are due to be paid to you. If you are an Engen employee and in active employment, your Employer will contact you regarding salary deductions in respect of debt owed to the Fund.
