

HIV supportive medicine list (formulary) 2020

Who we are

Engen Medical Benefit Fund (referred to as 'the Fund'), registration number 1572, is a not-for-profit organisation, registered with the Council for Medical Schemes.

Discovery Health (Pty) Ltd, registration number 1997/013480/07, (referred to as 'the administrator') is a separate company and an authorised financial services provider and is responsible for the administration of your membership on behalf of the Fund.

About this document

This document lists the supportive medicines that are on the medicine list (formulary) of the HIV Programme for 2020.

HIV Programme 2020

The information contained in this document may be subject to change.

The HIV programme and the utilisation of the benefits on the programme is subject to specific conditions and rules. Members must ensure that they are familiar with these rules and conditions. The Fund Rules are available on www.engenmed.co.za.

Any instruction or advice we give about medicines and the management of the member's condition is intended as a supplement to, and not a substitute for, the knowledge, expertise, skill and judgement of the member's doctor, pharmacist or other healthcare professional.

When you register for the HIV programme, you are covered for the care you need. You can be assured of confidentiality at all times.

Engen Medical Benefit Fund (EMBF) reserves the right to change the benefit at any time. We will communicate any changes to the way we pay medicines when we make these. The updated version of this document is available on our website at all times.

About some of the terms we use in this document

There may be some terms we refer to in the document that you may not be familiar with. Here are the meanings of these terms.

Terminology	Description
Benefit year	A benefit year refers to the benefits a member is entitled to during a calendar year, that is to say 1 January to 31 December. This medicine list (formulary) is applicable for this benefit year only.
NAPPI Code	This is a unique identifier for a given medicine, surgical or consumable product.
